

Winchburgh Primary School PEF Summary

Session 24/25

PEF at Winchburgh

At Winchburgh Primary School we are committed to continuously developing our approaches to ensuring equity for our pupils and tackling the poverty attainment gap. Our PEF Summary outlines how our PEF allocation is being used for universal and targeted interventions to support our pupils.

Approach

We ensure that our least advantaged pupils can access the whole curriculum through providing a range of resources and interventions that are suited to meeting their needs. To do this, pupils are met in groups to discuss their individual needs. As the year progresses, these interventions are reflected on and their impact assessed in order for them to be adopted, adapted, abandoned or amplified in line with the PEF plan.

Interventions

How our PEF allocation is distributed:

- ✚ PT overseeing PEF funding and interventions
- ✚ PT delivering Nurture and Lego Therapy
- ✚ Resourcing – GL assessment, Numicon, Digital (Ipads / laptops)
- ✚ PSW allocated to raising attendance
- ✚ PSW allocated to Raising Attainment
- ✚ Resources for social interventions
- ✚ Family Link Worker

Our Participatory Budget:

This is allocated based on the suggestions of the pupils which is gathered through Microsoft Forms:

- ✚ Permanent playground markings (trim trail/ swings/ outdoor classroom)
- ✚ More digital resources
- ✚ More Lego for Lego Club
- ✚ Board Games
